

# How Can I Get Reimbursed for Septic System Inspection, Pumping, or Repair?

Follow These Steps:

**Step 1:** Go to [PoopSmartClark.org](http://PoopSmartClark.org)!

**Step 2:** Check to see if you live in the Poop Smart Clark project area.

**Step 3:** Fill out the Program Sign-Up Form.

**Step 4:** Wait to receive an email to find out if you are eligible for reimbursement.

Get up to \$1,130 in reimbursement for septic inspection, pumping, or minor repairs

Get up to \$20,000 in reimbursement for major septic repairs or replacement

**Step 5:** Get your septic system inspected, pumped, and/or repaired.

**Step 5:** Provide your tax return information to verify your financial eligibility. \*

**Step 6:** Submit receipts to the Septic Reimbursement Form on [PoopSmartClark.org](http://PoopSmartClark.org).

**Step 6:** Get notified if you were selected to receive financial assistance.

**Step 7:** Receive a check in the mail within 30 days!

**Step 7:** Participate in a site visit to verify your application information.

**Step 8:** Review project details and sign the contract when you're ready.

**Step 9:** Hire a licensed OSS contractor to repair or replace your septic system.

# Didn't Qualify for Financial Assistance Through Poop Smart Clark?

Here Are Some Other Funding Options:

## Craft3

Clark County partners with Craft3, a local nonprofit lender, to offer long-term, low interest loans to repair or replace failing septic systems.

Contact 1-888-231-2170 ext. 125 or scan the QR code to visit their website for more information.

## USDA Rural Development

Two types of loans are available for rural residents with single family homes:

- Direct Home Loans (Section 502 Direct Loan Program)
- Repair Loans and Grants (Section 504 Home Repair Program)

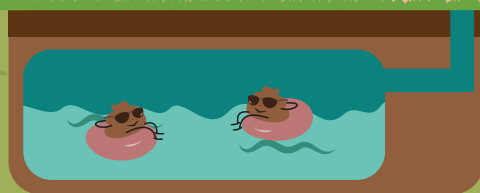

Contact 360-704-7760 or visit their website by scanning the QR code for more information.

## Clark County Community Services Single-Family House Rehabilitation Program

Funding through the U.S. Department of Housing and Urban Development (HUD) for low- to moderate-income homeowners in Clark County.

Contact 564-397-7811 for more information.

Poop Smart Clark is funded by the Washington State Conservation Commission; the Washington State Department of Ecology through a Centennial Clean Water grant; partnership agreement 1877 with USDA-NRCS Washington through the Regional Conservation Partnership Program, which is funded through the Farm Bill; and the Lower Columbia Fish Recovery Board. USDA is an equal opportunity provider, employer, and lender.
